

Step 1: Clean the area in which you will be hanging your new headboard

Step 2a (if using D-Rings):
Install hooks onto the wall in the proper positions to match with the D-Rings on the headboard

Step 2b: Peel the backs off of the 5 Velcro squares on the back of the headboard

Step 3a (if using D-Rings):
Hang the D-Rings onto the hooks installed in step 2a

Step 3b: Press the headboard onto the wall firmly to ensure proper engagement of the adhesive backing of the Velcro squares
