

Sun and Waves String (String Wall Art – 100% Acrylic Yarn)

IMPORTANT SAFETY INSTRUCTIONS:

For safe mounting, it is essential to use the proper hardware for your wall type (drywall, concrete, etc.) Contact your local hardware store for assistance if necessary. For safety and ease of mounting, installation is recommended using two people.

Tools needed (not included) :

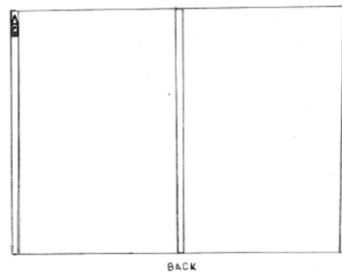

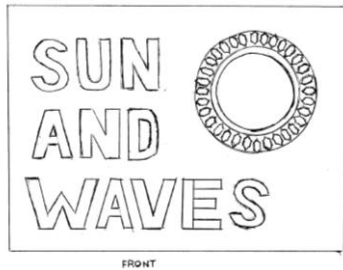

Level, pencil, Tape measure, Stud Finder, #2 Phillips screwdriver

Hardware (Included):

- TWO anchors and TWO screws

MOUNTING INSTRUCTION:

1. Determine your desired hanging location. Lay the item down to access the back surface and use a tape measure to measure the distance between the two D-rings located on the back of the item.
2. Using a level and a pencil, draw a straight level line on the wall in the desired location.
3. Use a tape measure and the distance measurement of Step 1 to make two marks on the wall along the level line. The marks will align with the D-rings and will be the insertion points for your mounting hardware.
4. Using the proper hardware for your wall type, insert the hardware into the wall at the location of the two insertion points leaving about 3/8" of the screw protruding from the wall
5. With the help of another person, lift the item along the wall and align each D-ring with each protruding portion of screw. Gently lower the item until the D-rings rest on each screw.

CARE INSTRUCTIONS:

To clean: Wipe with a soft, dry cloth. Do not use any abrasive or strong-chemical household cleaners.

thank you for your purchase
