- Please read all instructions carefully before assembling this nightstand.
- For your safety, assembly by two or more adults is strongly recommended.
- Keep these instructions for future use.
- Use only vendor-supplied hardware to assemble this item. Using unauthorized hardware could jeopardize the structural integrity of the item.

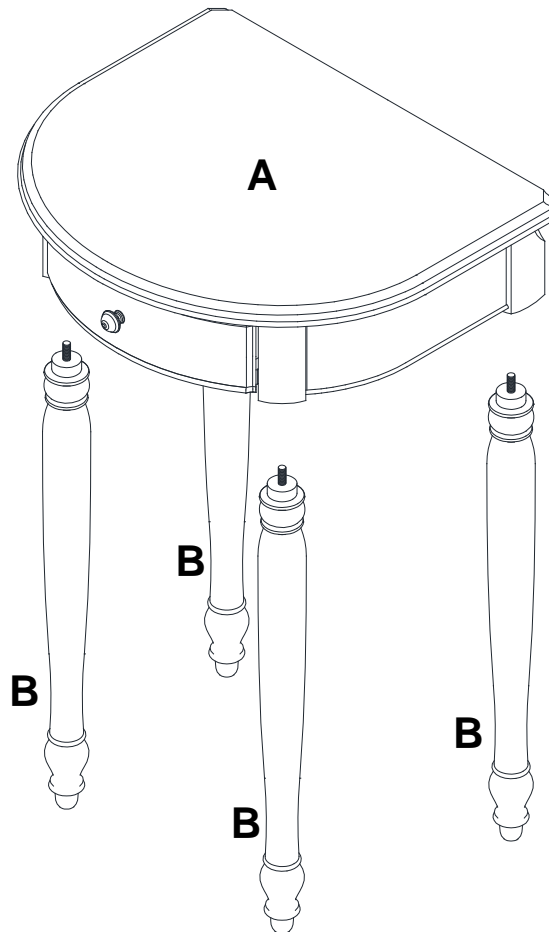

### Pre-assembly:

- Remove all parts and hardware from the box. Place them on a carpeted or scratch-free work surface, as this will avoid damaging parts during assembly. The shipping box provides an ideal work surface.
- To avoid accidentally discarding small parts or hardware, do not dispose of any packaging or contents of the shipping carton until assembly is complete.
- Use the parts and hardware lists below to identify and separate each of the pieces included.
- The illustrations provided allow for easier assembly when used in conjunction with the assembly instructions.
- The use of power tools to aid in assembly is not recommended. Power tools can damage the hardware and split the wood.

### Assembly Instruction Steps:

1. Place Top (A) upside down on a soft, scratch free surface such a carpet or rug.

### Care Instructions:

- Dust often using a clean, soft, dry, and lint-free cloth.
- Blot spills immediately and wipe with a clean, damp cloth.
- We do not recommend the use of chemical cleansers, abrasives, or furniture polish on our lacquered finish.
