iBeanbag Chair

CAUTION: Adult supervision and assembly required. Adults should take care when unpacking and setting up electrical components of this chair this item.

Read before use:

- Excessive use of audio equipment could lead to hearing loss. If you are using earphones, set your volume to a safe level. If you experience ringing in your ears, reduce the volume or discontinue use of your device.
- Children under the age of 7 should not use this product without adult supervision
- Strictly for indoor use – do not expose to direct sunlight, moisture or extreme temperatures
- If cover becomes wet, disconnect power supply and do not use until completely dry
- Never try to remove cover or any components to avoid injury or electrical shock.
- Only use the power adaptor that came with this chair. Adapters for other electronic devices may look similar but may damage this chair.
- The only way to shut off power completely to your power adaptor is to disconnect it from power source.
- Always leave space around your power adaptor. Do not use in a location where airflow around the power adaptor is confined.

Warning:

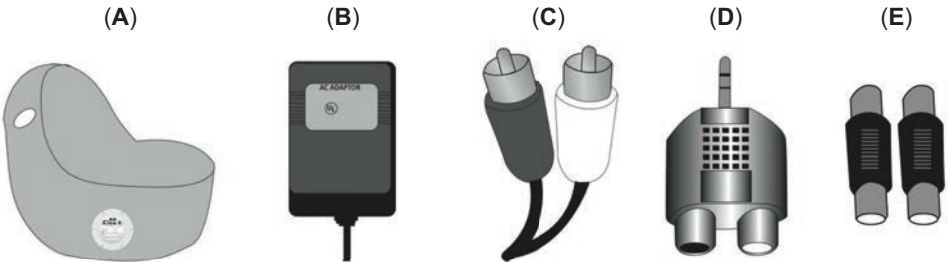

Electrical equipment may be hazardous is misused. Operation of this product, or similar products must always be supervised by an adult. Do not allow children access to the interior of any electrical product and do not permit them to handle any cables.
